

As of August, 2010

Radisson Hotel Fort McMurray

Has offset 22% of their annual carbon footprint

This year to date, 379.8 tonnes of carbon offsets have been purchased from emission reducing projects.

**That's equivalent to taking
27,725 cars off the road
for a day!**

All EcoStay carbon offset projects are registered on the **CSA Standards**

GHG CleanProjects™ Registry
